

TOWNSHIP MAP

For Use with Oil Impact Grant Requests

TOWNSHIP NAME _____

TWP # _____

RNG # _____

COUNTY NAME _____

Enter on this grid the township roads that are part of your application. Also enter all other information that helps document the extent of the oil traffic through your township (i.e. well sites, disposal sites, tank batteries, etc.). In addition, identify county and state roads that pass through your township. You have additional room to show activity in neighboring townships that affects your township road system.
